

Hein Brothers, LLC

December 22, 2014

To whom it may concern,

I would like to take this opportunity to express how much of a pleasure it has been working with the Hein Brothers team in Ave Maria. Hein Brothers undertook a resurfacing project for a water park structure and provided outstanding services for Ave Maria Master Association. The project manager, Steve Glazier, was a valuable asset to the project. He was able to address every issue and concern with great customer service. The level of professionalism needs to be commended.

Ave Maria is a unique community in all aspects and I can always count on Hein Brothers to be pro-active on any given situation. I feel confident recommending Hein Brothers as painting and restoration provider. I look forward to having a working professional relationship in the years to come.

Sincerely,

Luisa Rosales
