Dear Vic,

On behalf of the Board of Directors and the residents of Orchid Cove, I want to say Thank You for your outstanding professionalism throughout the entire painting process. Your ongoing communication and flexibility turned a cumbersome job of painting into a smooth and easy project.

The painters were courteous, never tardy, and worked as a team. They were always ready to assist in any way.

I would definitely recommend you to other associations. Your work ethic is outstanding and the painting of our buildings added to the beautification of our community.

Thank you Hein Brothers!

Sincerely,

Audrey Sanders

President of Orchid Cove Condominium Association
