

Seven Lakes

ASSOCIATION, INC.

August 5, 2014

To Whom It May Concern:

I write this letter recommending Hein Brothers as a painting contractor. They recently completed the exterior painting of a four story 72 unit condominium building at Seven Lakes Association. The pre-painting preparation was carefully undertaken with care for the plants. The overall effort was conducted professionally and the crew was very well organized and responsive. Hein Brothers were easy to work with and took pride in extending the effort to assure that the quality of the job met my expectations.

This is the first job Hein Brothers has done at Seven Lakes. I look forward to using their services again and highly recommend them to others.

Sincerely,

Tom O'Sullivan
Contract Manager
