John and Mark,

John, I would like to thank you for a superb job on this project. You were instrumental in guiding us on the development of the RFP, and subsequent construction firm and contract. You were there for us each step of the way and for that, we are grateful.

Mark, I can't tell you how happy we are to have had you as our partner in this project. From the get-go, you and your team have been amazing. I have never worked on a project of this magnitude that went so smoothly. The professionalism and partnership could not have been better. Please convey our appreciation to your team. The finished product speaks for itself. Our resort has never looked so good.

Wishing all of you a very happy holiday season and stay safe and healthy.
